

Des Moines Pastoral Counseling Center presents
BETWEEN a ROCK and a HARD PLACE
Obstacles, Resistance, and Pitfalls to Spiritual Growth
Loretta F. Ross, M.Div., M.A.

We say we want to deepen our faith. We plan to pray more. We tell ourselves this month I will take some time off to listen to God. We read books about faith, we get devotional emails, yet we still find ourselves harried, anxious, and burdened.

Where are the freedom, the joy, and the generous compassion of life in God? This day of Professional Development will take a look at some attitudes and behaviors, which may block our spiritual development and maturity. You will have an opportunity to identify some of the barriers that obscure your contact with the Holy in your life. We will consider changes that might help open our awareness and connection with the Giver of Joy and Peace.

The PRAIRIEFIRE program at the Des Moines Pastoral Counseling Center invites you to join us for a day of learning and renewal as we explore the obstacles, resistance, and pitfalls to spiritual growth. This seminar is intended for all persons who seek a day of spiritual growth and renewal.
